## CAPE SIENNA RENOVATIONS 2017

Cape Sienna is getting even nicer...

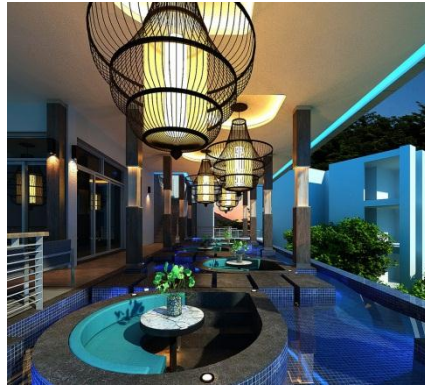

From 15<sup>th</sup> May 2017 till 15<sup>th</sup> October 2017

Cape Sienna will undergo a variety of improvements :

3 room buildings will be completely renovated and new room categories created. We will redecorate all rooms in those building which represent 70% of all our rooms. (As rooms will be renovated by building the disturbance will be minimal.)

Plum Prime Steakhouse & Vanilla Skybar will receive an external lift going straight up from the hotels entrance. Plum Prime Steakhouse will receive a roof covering the terrace to be able to enjoy the outdoor terraces even during not so good weather. Plum Prime Steakhouse will be open for service indoors only, the outdoor terrace will not be available.

Vanilla Skybar will receive added terrace space, more interior space, a bigger function room as well as a wedding lawn. Vanilla Skybar will be open for service indoors only for most of the time; a short complete closure will be announced closer to the date. The outdoor terrace will not be available.

For up to date information please visit our Facebook pages of Plum <https://www.facebook.com/PlumCapeSienna/> and Vanilla Skybar <https://www.facebook.com/VanillaSkyBar/>
